UKAHFT Course checklist 2019

Description	Mini kills	Reduced kills			Full size	Supported standing		Supported kneeling		Unsupported standing	Unsupported kneeling	Prone only	Comments:
		Total of 6 - 10											
		Min 2x		Max 4x									
Number	4 - 6 x	Total of 6 - 10				2x		2x		1x	1x	minimum 3x	
Kill size	15 - 19mm	20 - 24mm	25 - 34mm	25 - 34mm	35 - 45mm	25 - 34mm	35-45mm	25 - 34mm	35 - 45mm	35-45mm	35-45mm	kill size range dependant	
Ranges	13 - 25yds	8 - 30yds	8 - 35 yds	35 - 40yds	8 - 45yds	8-30 yds	8 - 35yds	8-30 yds	8-40 yds	8 - 35yds	8 - 35yds		Ensure other lanes do not encroach on the sight line within 45 degrees of the centre line of any lane. Note the peg is now the point that the trigger must not stray in front of. Obstructions are allowed closer than 8yds so long as they pose no ricochet risk. Elevated shots of more than 12 feet must be no closer than 20 yds unless they have a 35mm kill (or bigger) These targets must have a peg at least 18" high.
Notes	Elevated targets above 12 feet must be at least 20 yards away and have an 18" peg Must be possible to shoot grounded from both sides of the peg. Must be at least 10mm of plate around the	If targets can only be shot from one side of the peg then there must be a balanced number of targets visible from only left and only right			Max 4x off the peg 50% visible 6" up peg & kill fully visible within 2ft of peg (both sides).	Target number on support. 25mm plate around kill or standard knockover target used. Target must be visible either side of the peg. Support for standers must cater for all heights of shooters. Any kneelers over 35yds must have sufficient support to allow a supported standing shot The ground must be level and stable with no lumps or humps for both left and right hand shooters. The whole plate must be visible both sides of the peg.				25mm plate around kill. 4" peg. Kneeler must be at an angle of less than 30 deg to horizontal			
	No in the shoulder shots requiring the barrel to be over 250mm Target must have 10mm of plate visible round the kill
