

TEAM RULES FOR UKAHFT 2022 Series

Each team may consist of up to 25 nominated shooters, the deadline for Team entries is April 10th 2022 after this date no additions or substitutions to the teams are allowed.

Each Team member must be a full member of the club they are shooting for, proof of this may be requested.

Each team member must have attended their club the previous month for their scores to count in the team event at the following National event, we will rely on the Team Captains honesty with this, but if any Team is found to be using a score from a non eligible shooter they will be placed last at that round, if this happens twice during the season then that team will be disqualified from the whole series.

The top 5 scores on the day will go towards the team score at that event; in the event of your team winning these will be the 5 shooters who collect trophies / medals at that event on behalf of their club.

Entry Fee will be £1 per shooter and, Teams must pay there entry fee before round 1 commences or they will not be included in the Series.

It will be the captain of each teams responsibility to collect each of their team members scores and present them to the official score collator at each event.

Along with this form please email names in excel format to petecsparkes@gmail.com
